Mayor O'Neil opened the floor to public comments on this resolution.

Kim Skorka of Shore Drive stated that she did an analysis of the budget and she has some questions. Ms. Skorka stated that she did not understand why the expenses under Other Expenses for Borough Council did not go down after the line item for Grant Writer was pulled.

Patrick DeBlasio, CFO, explained that there are things that mayor and council wanted to accomplish. Mayor O'Neil stated that the funds were there in case something out of the ordinary came up.

Ms. Skorka stated that legal services have almost doubled in the last five years and asked what was being done to keep cost under control.

Mayor O'Neil stated that there are things that the borough may be accountable for and legal counsel is a necessity.

Council Member Card further added that there were some poor practices that required legal counsel while Council Member Broullon added that the ordinance book also needed to be revised.

Ms. Skorka stated that she did see a budget for the combining of the Planning & Zoning Boards.

Patrick DeBlasio stated that combining those boards resulted in a savings of approximately \$15,000.

Ms. Skorka asked about the flood insurance and how many buildings are being covered this year. She also asked about the capital budget and the \$500,000 allotted to Shore Drive Phase 2.

Chris Francy of 36 Fifth Street stated the DCA fiscal reports show that we are within \$3m of our bonding limit without having done any capital bonding for the new borough hall or the flood plan. Mr. Francy said he didn't understand this.

Pat DeBlasio explained that with mayor and council and the borough engineer they managed to cut back and cancel capital items that were no longer needed the borough now has the bonding capacity of \$7,710,000 which gets decreased every year by the bond payments.

Mr. Francy asked for a breakdown of the bonds. He also talked about the borough valuations since Hurricane Sandy.
