(c) **Order of appointments.** In making such appointments, the Appointing Authority shall first appoint all those in Class I and then those in each succeeding class in the order above listed and shall appoint a person or persons in any such class only to a vacancy or vacancies remaining after all qualified applicants in the preceding class or classes have been appointed or have declined an offer of appointment.

(d) **Certification of eligibles for positions.** The classes of qualified applicants defined by this section shall be considered as separate and successive lists of eligibles, and the Civil Service Commission shall, when requested to certify eligibles for positions specified in this article, make such certifications from said classes separately and successively and shall certify no person from any such class until all persons in the preceding class or classes have been appointed or have declined offers of appointment.

(e) Applicability. This article shall apply only to initial appointments and to promotional appointments of persons already members of the Police Department.

(f) Temporary appointments. In making temporary appointments, the Appointing Authority shall utilize the classifications set forth herein and shall classify accordingly all duly qualified applicants for the position or positions to be temporarily filled.
