and

Whereas, the governing body is in receipt of the Resolution of the Planning Board adopted on September 12, 2013 which recommended that the governing body review the proposed amendments for consistency with the MLUL and any recent enactments or new rules and regulations promulgated by the State since Hurricane Sandy; and

Whereas, the governing body is aware of recent legislation, particularly P.L. 2013, c. 107, which provides similar relief as O-13-18; and
