The Highlands Fire Department is an all-Volunteer Organization that proudly protects an estimated 5,000 people living in an area of one square mile. We operate out of one station that protects a primarily residential area. The department consists of 50 members but is always looking to grow.

Founded in 1900, the department consists of two companies: Columbia Hose Company No. 1 & Star Hook and Ladder Company No. 2. We answer structure, brush, car, and boat fire calls along with providing rescue services related to motor vehicle extrication and boater distress calls.
