If a specified time has been given to abate a violation, YOU MAY REQUEST AN EXTENSION OF TIME by submitting a written request to the **HIGHLANDS FIRE PREVENTION BUREAU**. To be considered, the request must be made before the compliance date specified and must set forth the work accomplished, the work remaining, the reason why an extension of time is necessary and the date by which all work will be completed.

TAKE NOTICE THAT, pursuant to N.J.A.C. 5:70-2.10(d)2, an application for an extension constitutes an admission that the violation notice is factually and procedurally correct and that the violation does or did exist. In addition, the request for an extension constitutes a waiver of the right to a hearing as to those violations for which an extension is applied.

Pursuant to N.J.A.C. 5:70-2.12A, a violation of the Code is punishable by monetary penalties of not more than five thousand dollars (\$5,000) per day or each violation. Each day a violation continues it is an additional, separate violation except while an appeal is pending.
