TNR ANNUAL REPORT FOR FY 2024

The Borough of Highlands, working with the MCSPCA and 15 Cat Caregivers, successfully trapped 36 cats during the period of January 2024 through December 2024. Our Memorandum of Understanding with the MCSPCA is renewed each year in January. They provide Animal Control and TNR services to the Borough.

The joint Highlands/MCSPCA TNR Program is discussed during the spring TNR public meeting. Caregivers sign an agreement with the Borough and MCSPCA then provide a census of the cats they manage. These documents are then brought to Borough Hall. Once signed by the Borough and MCSPCA, the documents are scanned and emailed to the Caregiver.

This flyer outlines where we are with the program. Over the years, several caregivers and others have reached out to MCSPCA to alert them of areas where cats congregate. Contact details for MCPCA are listed below.

The breakdown of the trapped cats with status is listed below:

Program Outcome	Program Total	Adopted	Deceased/ Euthanized	Released after TNR
Total #	405	148	19	238
% Total	100%	37%	5%	59%
2025 so far	6	0	2	4
2024	36	7	1	28
2023	56	34	1	21
2022	30	22	0	8
2021	22	13	1	9
2020	4	1	0	3
2019	69	33	2	34
2018	49	18	1	30
2017	26	2	0	24
2016	106	18	11	77

MCSPCA TNR Animal Control Officers can be reached at 732-542-0040, at the prompt choose option 8 if you have questions or concerns.
