# 2023 Highlands Year in Review

## 2023 Highlands Year in Review

During 2023, the Mayor, Council and Staff worked to address past issues as well as plan for Highlands' future. We were again very successful in locating, pursuing and winning grants as well as other funding sources to help fund Infrastructure projects and updates to our open spaces.

### The State of the Borough at the end of 2023:

- Residents, staff, businesses, charitable organizations, and clergy all worked together to help our neighbors who were and are in need of help. Food, clothing and toy drives showed how amazing and resilient our community remains.
- The Municipal tax rate was lowered for the fourth consecutive year. The combined valuation of all properties in the Borough increased to \$1,103,964,900. This was an increase in valuation of an incredible \$214,264,688 over 2022. The largest year over year increase the Borough has ever seen.
- Our Chief Robert Burton was voted the 84th President of the Monmouth County Chiefs Association for 2024.
- From over 300 submissions, Highland's own, Russell Karshmer, a Junior at Mast on Sandy Hook, a Cadet Chief Petty Officer in the NJROTC program won the USS New Jersey (SSN 796) Commissioning Coin "b-side" design.
- One new business opened in town: Bistro Iberia.
- Grants and other funding sources awarded in 2023 was an incredible \$15,631,589.
