

April 22nd, 2026

PUBLIC NOTICE

Attention: Property and Business owners residing on or adjacent to affected sections of the following areas:

- **South Peak Drainage Improvement Project**

Project Number: HIBC0044A

Project Title: **South Peak Drainage Improvement Project**

Dear Property or Business Owner:

The Borough of Highlands is happy to announce the start of the South Peak Drainage Improvement Project. The project consists of existing an open-ended pipe adjacent to 37 Twinlights Terrace, routing it overland, and then beneath the proposed retaining wall along South Peak Street, ultimately tying it into the existing South Peak Drainage System.

The Borough has awarded the contract to SDW Construction Inc.

The following information applies:

1. **Mobilization will being on April 27th, 2026. The project is expected to last one month, weather depending.**
2. No work will be performed on weekends.
3. When possible, work will occur on the shoulder to keep traffic flow open.
4. In the event that sections of South Peak Street are required to be closed, traffic flow will be detoured.
 - a. **Please follow all posted signage for detours.**
5. South Peak Street may periodically be slowed down for material deliveries, such as Concrete.
6. South Peak Street will remain open during non-work hours.
7. Residents are to be aware and adhere to no parking signage posted in the area of construction.
8. Staging will commence no earlier than 7 am. **Work will commence no earlier than 8 am.**

All efforts will be made to limit inconvenience to affected residents and businesses. If you have any questions, please feel free to email Mike Muscillo, Borough Administrator at [Michael Muscillo](mailto:Michael.Muscillo).

Very truly yours,

Michael Muscillo
Borough Administrator
