Dear Sean,

Please welcome my appreciation for your achievement of the award of Eagle Scout. This is an incredibly special honor, and I sincerely commend your drive and determination in attaining it. This pinnacle to the multi-year process demonstrates your fortitude and endurance for excellence over many years.

Your community service project, transforming discarded pallet wood from the Borough's recycling yard to build Beach Toy Library boxes at the Community Center, makes me proud every time I see it. Your close work with Jacqui Kane in planning the project shows your thoroughness and determination. Breaking down the boxes and reimagining them as beach toy boxes shows your initiative and creativity. Building a team with your other Scouts to break down pallets, remove unusable wood, sand, build, and paint the boxes then move them to the Rec Center Beach demonstrate your leadership and project management skills.

Now people using the beach can borrow any toys they want then return it when they leave. They can also add toys to the boxes if they have things they aren't using anymore. This cuts down on the amount things left on the beach by encouraging people to "reuse and recycle". It also gives kids in town access to beach toys when they are at the beach or Recreation Center.

With all my respect, please accept this Mayor's thank you for all your hard work and thoughtfulness. Know this type of strength of character does not go overlooked. As you have made your family proud you have also done so for your community.

Sincerely,

Mayor Carolyn Broullon
